--HSW : Course Fulfills LACES and NY Health, Safety, Welfare Requirements

-- Six courses are AICP CM, pending approval; see website for info: <http://www.planning.org/cm/search/>. Search for this event using the "Event" tab provided on the calendar. Each AICP approved course is worth 1 CM credit each.

--This continuing education activity is being offered by an NYSSED approved sponsor. As such, it meets one of the three criteria to be acceptable towards New York State's continuing education requirements. However, it is up to the licensee to determine if this course or educational activity meets New York's other two requirements that it is in an acceptable format and in an acceptable subject area. NYSSED reviewed the program for confirmation of format and subject area. For further information on acceptable formats and acceptable subject areas, please see <http://www.op.nysed.gov/prof/larch/larchce.htm>
